Menomonee Falls Christmas Parade

Besides all the recent snow, and the club snofaris, (please send some articles and photos!), we've had a few events...

We had a Christmas Parade in Menomonee Falls, pictures on the cover and elsewhere in this issue. Thanks to the Ed and Bonnie Pollich for providing a gathering place to assemble the float, the folks who provided the vehicle, trailer, and sleds to put ON the float, the workers who set it all up, added lights and sound, and those who rode in the parade or just cheered from the sidelines! Afterwards, the group returned to the Pollich's home to disassemble the float and have something to eat and some conversation.

We had a Christmas meeting and party, held at the Sussex Bowl. Santa and Mrs. Santa handed out presents to the youngsters there, and we had a catered meal.

The December safety class is over, we had 36 students. The January group is even larger, which is unusual. Two sessions left for that class. Thanks to all the instructors for making this possible.

Snofaris are underway, there's a photo from Mercer in this issue, but we need reporters to write about all the things that happened so everyone will know what they missed.

Our major fundraiser, the Smelt Fry (along with our raffle wheel and beer/soda sales) is scheduled, mark April 17th on your calendar. The smelt cleaning, as usual, will be the day before. Our fundraisers keep membership costs down and provide for the many free events, so please plan on selling tickets and helping where you can.

Some assembly required...

Some wiring for sound...

Some anticipation...

And finally, some snow (see the cover...)

December meeting and Christmas Party
